Dear Catalyst Clients:

I apologize to you for endorsing Eckhart Tolle on my website. I did not know that he was a domestic terrorist until a few days ago.

When I recommended *A New Earth* on my Recommended Reading list on my website, I made a mistake. In light of my recent discovery of Eckhart Tolle's criminal record, I now understand those books were written for the purpose of promoting the mental disorders of Psychopathy and Anti-Social Personality Disorder through brainwashing. I did not notice this when I read *A New Earth* or *The Power of Now*, because my traits of empathy were not impacted.

Eckhart Tolle did not write any of the content of *The Power of Now* or *A New Earth*; those books were compiled by corrupt FBI and NSA employees for the purpose of promoting the mental condition of lack of empathy and responsibility. If I had known that those books were written for the purpose of sanctioning domestic terrorism, I would not have recommended them.

I apologize to you for giving you the idea that Eckhart Tolle was worthy of admiration or a safe person to be around. I encourage anyone whose loved one was raped and murdered by Eckhart Tolle to file police reports and press charges. It is my vote that Eckhart Tolle be prosecuted through the Department of Justice and be given the death penalty for his crimes against humanity.

Sincerely,

Chelsea Wright
