

## CRIME TIP CHILD PORNOGRAPHY PRODUCTION IN EUGENE SEPTEMBER 15-16

Today, September 12, 2018, 44 people committed felony conspiracy to commit the crimes of poisoning, assault, rape, child sex abuse, and making child pornography. These crimes are planned to be perpetrated by 16 people with direct contact and the other 28 people watching a video streamed live. There are 53 crime victims ages 8 years old to 30 years old; all of them have been surviving human trafficking for more than three years.

The crimes are planned to take place at two locations in Eugene, homes owned by three human trafficker politicians Rob Nosse, Ellen Rosenblum, and Dan Saltzman.

The 16 people who plan to commit the crimes of poisoning, assault, rape, child sex abuse, and making child pornography include Josh Dallman, Rob Nosse, Rod Underhill, Don Rees, Jeff Barker, Andy Olson, Jennifer Williamson, Chris Gorse, Mitch Greenlick, Bill Post, Karin Power, Tawna Sanchez, Sherrie Sprenger, Duane Stark, and A. Richard Vial.

The 28 people who plan to watch child pornography being produced live include 3 NSA agents and 23 Eugene police officers. Of the 53 crime victims, 12 of them are developmentally disabled. All 53 crime victims were legally adopted by the politicians who are trafficking them.

District Attorney of Lane County Patricia Perlow owns three homes in Eugene; two of her homes in Eugene she co-owns with Ellen Rosenblum. The 53 crime victims have residence at the two homes in Eugene that Patricia Perlow and Ellen Rosenblum own together. Human traffickers frequently use identity theft as a method of purchasing property under a different name. This crime could not be committed without the approval of the banks.
